

2007 AP-S Graduate and Undergraduate Research Award Recipients Announced

Congratulations to the spring and fall 2007 AP-S Graduate and Undergraduate Research Award recipients! These excellent students will receive \$1,000 (undergraduate) or \$2,500 (graduate) from the IEEE Antennas and Propagation Society to further their education. Applications for these awards are taken twice per year on April 1 and November 1. More details can be found at www.ece.utah.edu/~cfurse/APS (there is also an announcement at the end of the Education Column).
